SUMMER CLINICS

The season opens on June 29,2020 and runs for 8 weeks. All clinics (Tournament Training I thru Elite High Performance) are offered every week during the season. Most players register for one or two weeks (two weeks need not be consecutive) however some sign up for up to the entire eight-week season. We also offer a daily rate. We encourage players to add to their season by dropping in as they can for additional practice on a daily basis. We will work with you to set up a summer tennis program that fits your vacation plans and other commitments.
